FORCES INDIA EXPO 2027

Forces India 2027 is an international B2B exhibition dedicated to the latest innovations, technologies and solutions in the Defence, Military, Homeland Security and Strategic Technology sectors. The exhibition will bring together leading defence manufacturers, technology providers, security solution companies, government agencies, armed forces representatives, industry professionals and international stakeholders on a common platform to explore emerging opportunities in the defence and security ecosystem. Featuring a comprehensive range of products and technologies, including Arms & Ammunition, Military & Armoured Vehicles, Tactical Equipment, Artificial Intelligence (AI), Unmanned Aerial Systems (Drones), Surveillance & Monitoring Technologies, Advanced Communication Systems, Cybersecurity, Robotics and Next-Generation Defence Solutions, the expo aims to promote technological innovation, indigenous manufacturing, strategic partnerships and international business collaboration. Forces India Expo 2027 will serve as a dynamic platform for product demonstrations, technology showcases, B2B networking, industry knowledge exchange and business development, supporting India's vision of Atmanirbhar Bharat, Make in India and defence modernisation, while connecting Indian and global defence and security industries.

OBJECTIVES OF A FORCES INDIA

- Promote Defence & Security Innovation
- Strengthen Indigenous Defence Manufacturing
- Facilitate Global Business Partnerships.
- Showcase Emerging & Advanced Technologies
- Encourage Industry–Government Collaboration
- Promote Defence Exports & International Trade
- Support Research, Development & Technology Transfer
- Create Business Networking Opportunities
- Empower Startups & MSMEs
- Advance National Security & Defence Modernisation

MAJOR ATTRACTIONS, KNOWLEDGE & BUSINESS ACTIVITIES

- Defence Equipment & Military Technology Showcase
- Military & Armoured Vehicles Pavilion
- AI, Robotics & Autonomous Systems Zone
- Drone & Counter-Drone Technology Pavilion
- Homeland Security Equipment's Display
- Make in India Defence Innovation Pavilion
- Defence Technology & Innovation Conference:
- Homeland Security & Border Management and Security Forum
- Industry Expert Presentations & Technology Workshops
- B2B & B2G Networking Meetings
- Buyer–Seller Meets
- International Business Delegations
- Defence Procurement & Supply Chain Networking
- Startup & MSME Business Connect
- Live Product Demonstrations & Technology Presentations
- Strategic Partnerships & Technology Collaborations.
- Networking Sessions & Industry Roundtables

EVENT HIGHLIGHTS

200+ Exhibitors | **10,000+** Visitors | **5+** Business Networking Activities

EXHIBITORS PROFILE

- Defence & Military Equipment Manufacturers
- Arms, Ammunition & Munitions
- Military & Armoured Vehicles
- Unmanned Aerial Systems & Drones.
- Artificial Intelligence & Autonomous Systems
- Robotics & Unmanned Ground Systems
- Surveillance, Reconnaissance & Intelligence Systems.
- Communication & Command Systems.
- Cyber Defence & Information Security
- Homeland & Internal Security
- Border & Perimeter Security
- Tactical & Personal Protection Equipment
- Optics, Night Vision & Imaging Systems
- Radar, Sensors & Detection Technologies
- Counter-Drone & Anti-UAS Systems
- Aerospace & Defence Aviation
- Naval & Maritime Security
- Electronic Warfare & Signal Intelligence
- Missile, Rocket & Precision Systems
- Explosive Detection & Bomb Disposal Technologies
- CBRN Protection
- Firearms Accessories & Weapon Support Systems
- Defence Electronics & Embedded Systems
- Semiconductors & Electronic Components for Defence
- Navigation, GPS & Positioning Systems
- Satellite & Space-Based Defence Technologies
- Simulation & Training Systems
- Military Logistics & Supply-Chain Solutions
- Field Infrastructure & Deployable Systems
- Military Power & Energy Solutions
- Military Textiles & Technical Fabrics
- Personal Safety & Protective Technologies
- Emergency, Rescue & Disaster Response Equipment
- Defence Medical & Battlefield Healthcare
- Forensic & Investigation Technologies
- Biometrics & Identity Management
- Smart Policing Technologies
- Anti-Terrorism & Special Forces Equipment's and Technologies.
- Defence Manufacturing & Engineering
- Materials & Advanced Composites.
- Testing, Certification & Quality Assurance
- Maintenance, Repair & Overhaul (MRO)
- Defence Software & Digital Platforms
- Geospatial & Mapping Technologies
- Research, Innovation & Defence Start-ups
- Public Sector & Government Defence Organisations
- System Integrators & Defence Contractors
- Defence Consultancy & Professional Services

VISITORS PROFILE

Indian Army | Indian Navy | Indian Air Force | Indian Coast Guard | BSF | CRPF | CISF | ITBP | SSB | Assam Rifles | NSG | RAF | NDRF | State Police | State Armed Police | ATS | STF | Special Operations & Commando Units | Coastal/Marine Police | RPF | State Police | Private security Agencies

- Policy Experts & Strategic Affairs Professionals

AIMS

Forces India Expo aims to offer a comprehensive platform for showcasing next-generation defence technologies, exploring emerging industry trends, exchanging knowledge and building strategic business partnerships. The exhibition will bring together defence manufacturers, armed forces representatives, government organisations, security agencies, technology innovators, startups, investors and international industry professionals.

Forces India Expo is a leading international platform for Defence, Military, Homeland Security, Advanced Security Technologies and Strategic Innovation, bringing together global industry leaders, defence manufacturers, technology innovators, government organisations and security professionals under one roof.

Forces India Expo is a platform for Defence Innovation, Technology Demonstration, Knowledge Exchange, Strategic Networking and Global Business Collaboration, contributing to India's growing defence manufacturing capabilities and the advancement of modern security technologies.

Forces India Expo offers a strategic platform for defence manufacturers, security solution providers, technology innovators, startups, MSMEs and international companies to showcase their capabilities, explore emerging business opportunities and establish valuable industry connections. The exhibition aims to facilitate business networking, technology exchange, brand visibility, market expansion and strategic partnerships across the Defence, Military, Homeland Security and Advanced Technology sectors.

One Platform. Multiple Opportunities. Unlimited Possibilities

WHY EXHIBIT AT THE SHOW?

- Connect with Key Decisionmakers
- Showcase Your Products & Technologies
- Generate High-Value Business Leads
- Expand Your Domestic & International Market Reach
- Strengthen Brand Visibility & Industry Presence
- Explore Defence Procurement & Supply Chain Opportunities
- Promote Make in India & Atmanirbhar Bharat
- Launch New Products & Demonstrate Innovations
- Build Strategic Partnerships & Collaborations
- Gain Valuable Market Insights
- Engage with Startups, MSMEs & Technology Innovators
- Maximise Business Networking Opportunities

BENEFITS OF PARTICIPATION

- Showcase Products & Advanced Technologies
- Connect with Potential Buyers & Decisionmakers
- Explore New Business & Market Opportunities
- Build Strategic Partnerships
- Strengthen Brand Visibility & Market Positioning
- Promote Make in India & Indigenous Manufacturing
- Engage with Global Industry Stakeholders
- Launch New Products & Demonstrate Innovations
- Gain Industry Insights & Market Intelligence
- Participate in Business Networking & Knowledge Sessions
- Explore Latest Defence & Security Innovations
- Meet Manufacturers & Technology Providers:
- Discover Sourcing & Procurement Opportunities
- Build Professional Networks:
- Gain Knowledge from Industry Experts
- Identify Business & Investment Opportunities

Forces India Expo's
VISION AND MISSION

"To empower the future of defence and security through innovation, indigenous capabilities, advanced technologies and global strategic partnerships."

To connect innovation with opportunity, strengthen India's defence manufacturing ecosystem, encourage global partnerships and accelerate the development of advanced defence and security technologies for a safer, stronger and self-reliant future.''
